Matters Arising

Portsmouth evenings went ahead all winter indoors at Heversham_. Steve achieved his Level 1 coaching qualification.

Chairmans Report 2018

It's been a good year for the club with plenty of shooting with some good weather to help it all along.

We had to let the Ulverston side go at the end of last year due to the complications at Ulverston leisure centre, however most of the archers are still shooting at Vickers in Barrow.

We have had some good results with internal club shooting loads of 252 and Portsmouth badges. We have also had a few classification badges being awarded. Well done to all

Martin has been picked for the County clout squad he has also won the Cheshire clout championships and is the EAF clout champ,

We have had a few members that have been asked to shoot for the county, Jonny Stef keep up the good work, we have a few archers that are more than capable of getting onto the squad.

We need a shed extension or an easier way to rotate bosses.

Thanks to Jonny and Kevin for organising our first open shoot which was a good success despite the weather. Jonny is also looking at organising other shoots more info to follow

Well done everybody keep up the good shooting for 2018/19 season

Secretary -nothing to report.

Treasurer

Danielle was not present, so Ian gave a report.

Last year, the club had {REDACTED} in the bank, and this year we have {REDACTED}.

We spent 1700 on bosses ,Heversham indoors is 600 a yr , 1200 on Archery GB and 1200 for Warton. Also 150 from associate members shooting fees.

So the financial picture is quite healthy.

Welfare officer

No issues to report.

Equipment

We need more room for storage at Warton, especially now as we have all of the Ulverston equipment too. An extension on the shed at Warton was proposed.

Records

Steph had a lot of awards to distribute, 252 badges and classifications. She will update the website and include club records etc.

Tournaments

No report as Martin not present.

Proposals

As the club is in a good financial position, it was proposed that we repeat the action of last year ie waiving the fees for existing members. This was passed.

Another proposal was put forward that the committee members also get reduced price or free shooting as an honorarium for the work put in. This was debated and it was decided to give free shooting for the coming year and review it at the next AGM.

AOB

Steph said that she would check club records against county records. An extra indoor shooting night was proposed as there are a lot of new and associate members shooting. This means that it can take a long time for everyone to shoot. An extra night of Tuesday at Heversham was proposed, at the usual time of 6-8 pm. The club has the money to pay for this.

Christmas Meal- Nichola volunteered to look into this , find a venue, get menus etc and will report back.

Club Clothing- A long debate was had on style and colour of club clothing. It was decided on black and orange. Steph will get back on to Coniston Clothing and get samples ,prices etc.

Indoor Competition- 3rd March 8am - 6pm held at Heversham
